

ESGOBAETH MYNYW – DIOCESE OF MENEVIA

PRE INSPECTION MEETING OF THE DIOCESAN INSPECTOR WITH THE GOVERNING BODY.

NAME OF SCHOOL

DATE OF MEETING

AGENDA

1. The Diocesan Inspectors introduction

(This should set out the purpose of the meeting. How the inspection will be conducted, what the report will contain and when it will be published).

2. Discussion

The Lead Inspector will seek information on the following items

- The role of the governors in determining the mission statement, aims and objectives of the School
- How do you ensure that the religious Education Curriculum and other assessment requirements are met?
- Your role in the school Development Plan and the school's self evaluation
- The financial management of the school
- The role of the governors in securing appropriate provision for pupils with special educational needs, including highly able pupils
- The monitoring of attendance, behaviour and exclusions
- The school policy on sex education
- The school's liaison with industry, commerce, the local education authority (where appropriate) relevant agencies, community, parents and secondary schools
- The school prospectus and information provided for parents
- The governors' judgement concerning pupils' attitudes and values

3. Other issues that the inspector may wish to raise in the light of information supplied by the school

4. Other issues that the governors may wish to raise, information they may wish to convey and concern they may wish to express including a mention of any particular difficulties facing the school.
