

World Youth Day 2023 Lisbon

It's so much *more* than a day!

It's a coming together of thousands of Catholics from across the world from 26th July - 7th August: an opportunity of a lifetime for young people to celebrate their faith.

Would you like to support a young person to attend World Youth Day in Lisbon, Portugal this Summer?

It costs £1,500 for each young person to go. Your help towards these costs will make a big difference
